Liability for content

The content of the Ecotex GmbH & Co. KG pages has been produced with the greatest possible care. However, we cannot accept any liability for the correctness, completeness and validity of the content. As a service provider, we are responsible for our own content on these pages in accordance with the general laws as per section 7 para 1 of the TMG (tele media act). In accordance with sections 8 to 10 of that law, as a service provider we are not obliged to monitor or research any information transmitted from or stored by third parties for illegal activities. This does not affect any obligations to remove or block the use of information in accordance with the general laws. However, liability in this regard only exists from the point in time at which a specific infringement of the law becomes known. In the event of any legal infringements being made known, we will remove the content in question without further delay.

Copyright

The content and works of Ecotex GmbH & Co. KG on these pages are subject to German copyright. Contributions from third parties are identified as such. The duplication, editing, distribution and any other kind of use outside the boundaries of copyright require the prior written approval of the author or provider in question. Downloads and copies from these pages are permitted only for private, and not for commercial use. The operators of the pages will endeavour to observe the copyrights of others and to make use of their own and of non-licensed works.

Liability for links

In accordance with the judgement of 12 May 1998 - 312 O 85/98 - "Liability for links", the Landgericht (LG) Hamburg decided that the inclusion of a link may make that party co-responsible for the contents of the linked site. According to the LG, this can only be prevented by specifically stating that a party distances itself from such content. Ecotex GmbH & Co. KG hereby distances itself explicitly from linked pages.
